

A photograph of a calm lake with a dense line of green trees in the background. The water is dark blue and reflects the sky and trees. In the lower right foreground, a person's hand is visible, reaching out towards the water. The hand is wearing a silver watch. The overall mood is peaceful and contemplative.

Spring 2011 | Vol. 1 | Issue 1

Journal

of International Students

Dear Colleagues,

Journal of International Students is an educational journal published by the Nepalese Student Association at Arkansas State University. The Journal publishes quality and original research papers/articles, book reviews, and non-research articles such as essays, poetry, plays, and so on written by students, teachers, staff and community members in Jonesboro and around the U.S.

The Journal of International Students will be published twice a year (Fall and Spring).

Students, staff and faculty members are invited to submit their papers to the upcoming issue of the *Journal of International Students*

Best Regards,

Krishna Bista
Editor-in-Chief, JOIS
